Direct light evenly across your entire scene with the Revel's enhanced optic design.

- Combination spot/flood optics
- True surface mount in 14,000 and 28,000 lumens
- Push button swivel for simplified, efficient operation
- IP 68 rated

Powerful Performance

Optic superiority

Bursting with 14,000 or 28,000 lumens, the Revel is all you need to light your entire scene. The patent-pending combination of spot and flood performance increases your overall scene visibility when lighting your exterior spaces such as vehicles, structures, parking lots and overhead hazards.

Flexible mounting options

Available as a true surface mount, the Revel can be easily installed in any location on your truck.

Other vehicle mounted configurations include: brow, swivel base, pedestal, push-up, pull-up, air operated, and manual mast.

Simplified operation

The unique, push button swivel makes adjusting and redirecting your light simple with a gloved hand.
