

# 8250 LED Swivel Reading Lamp

**STYLE 8250-0100-30**

This lamp features two mid-power white LED's to provide 100 lumens of light output. The convex lens optic efficiently focuses the light onto the target reading surface. The lighthouse swivels, allowing the user to position the light beam toward the desired location. The lamp features a prominent ON/OFF switch for easy activation in low-light conditions. The lamp has an integral connector to enable a reliable connection to the vehicle harness.

Available starting August 2014

## Features

• 100 lumen total light output • Adjustable swivel lighthouse • Prominent ON/OFF switch • 12V operation

## Applications/Solutions

- Commercial Trucks
- Specialty Vehicles
